It came through and they will be going through the loop we discussed. Hopefully it will be over and done with quickly. Please alert anyone that is necessary as I am sure parking direction will need assistance. I did this last year with Nate because I knew which areas were going to be open.

Since our meeting I have been in contact with the department of cultural affairs about this parade and hoping we can force this to be held elsewhere entirely next year. It is not right how this operates.

Kind regards,

Frederick Sutton
